The Playground area remains in a holding pattern at this point. Kim Peterson let DDA Administration know that the DNR has finally reviewed the plans and have sent back many questions that will have to be answered and sent back to them. Once we have approval from the DNR to proceed it will take 4-6 weeks for the installation. DDA Administration has worked with Delta Force on a security strategy for the Market Place. Everything should be installed within the next

4 weeks. The DDA will be hosting a Public Grand opening on July 29<sup>th</sup> from 3-6 pm. The Event will have music by RPM and we will provide a snack & soft drink. This will allow visitors to take a rest while attending Sidewalk Sales.

- **Active Façade Projects** – The final touches are being completed on Jim’s Music and Greg Martenson’s building. Raymond James/Family Eye Care is completed and only needs a walk through by Lisa Wrate. A more detailed update will be provided by Lisa at the meeting.
- **2017- 2018 Façade Projects** – Lisa Wrate has met with all of the project owners and has completed historical research on each building including pictures. She has been in the process of physical inspections of the buildings and initial drawings. DDA Administration will be having an update meeting with Lisa the beginning of August to review the projects. DDA Administration is looking to invite Jun Tucker from the MEDC to attend that meeting as well. Lisa will provide a more detailed update for the meeting.
- **Blighted Buildings** – Blaine Degrave informed DDA Administration has heard from the owner’s and they said they are no longer having anything to do with the property. They are walking away from the situation. Blaine is moving forward with the condemnation process. Blaine will also be attending our meeting to give an update to the Board and answer any questions regarding the situation.
- **Sidewalk Sales** – DDA Administration is working closely with the Downtown Partners in Business on the final details for the day. DDA Administration is working with some vendors that will take spots downtown to fill more space during the event.
