Explanation: Barry Polzin, Lead Architect for the Escanaba Market Place Project, will be reviewing bids that were received at the DDA Building by 3:00 pm on May 25th. NEW BUSINESS:

1. 2016 Façade Candidates – Discussion

Explanation: DDA Administration is looking for Board Approval to place an RFP for Architectural & Engineering services to support the upfront drawings for the individual projects for 2016 Façade Program. The RFP should include the fully loaded cost of the

upfront work as well as the percentage of A&E fees if chosen to move forward in the project construction phase. The Board has used a committee to review the RFPs in the past.
